

NEW JERSEY COLONIALS 2010-2011 SEASON

HISTORICALLY SPEAKING

In this day and age, there aren't many organizations that can say they've been around for over 38 years! We're still doing the job we set out to do: Teach and train young players to play the game of hockey. The Colonials were formed in 1972, as a small organization of 10 or so teams. This year we will be putting over 32 teams and 600+ players on the ice; girls and boys, at all skill levels from ages 5 to 19. We have a terrific lineup of talented coaches, including Boys Hockey Director Noel Rubin and Girls Hockey Director and Olympic Gold Medalist, Shelley Looney. This past season, we had 17 teams go into post season play, many of whom are still contending for Districts and Nationals. All in all, no matter what the economy has been over the years, we have remained a steadfast and solid organization that continues to provide players with the kind of quality experience that will help a young athlete grow personally, emotionally and athletically. As always, we focus on teaching players the values of: Teamwork, Discipline, Sportsmanship and Dedication.

Come be part of the Colonial Experience!
